## A Day of Sewing

Mark your calendars for Sunday, August 30 for an afternoon of sewing and fellowship. It's the time of year for new school clothes, and we hope to provide some of the girls in our church community with new skirts. Bring your sewing machine and a dish for a potluck lunch. Lunch will begin right after church in Farrell Hall, and we'll sew from about 1:00-3:00pm.

There is an assortment of serving dishes on the cart in the Welcome Center. If one of your dishes has gone astray, please stop by and check the bench.

The calendar of activities for September can  
be viewed online at

**FLOWER ARRANGING 101**  
**Sunday, September 27**  
**5:00pm**  
**Youth Pod**

Have you ever wondered how those beautiful arrangements we see in worship services and in our vestibule on Sunday mornings are put together? Have you ever wondered if you too, might be able to arrange elements from the beauty of God's creation, into an aesthetically pleasing grouping that would aid worshippers in their worship of God? Have you ever wished for guidance in even learning to arrange flowers for your own home? Have you ever considered serving on the Flower Workgroup, but wondered how they do their work? On Sunday, September 27, a simple flower-arranging workshop will be offered in the youth pod beginning at 5:00pm.

There will be several demonstrations and an opportunity for some hands-on learning as well! To help us with the cost of this workshop, we ask participants to sign up for the workshop by Sunday, September 20, and submit a materials fee of \$15 with your sign-up.

When you come to Flower Arranging 101, you will want to bring with you: a container (and liner if the container is not water-tight), clippers or a pocketknife, and a watered bucket of any greenery or flowers from your yard that may assist us in preparing arrangements and help others to know what is readily available in our own yards!

At the event, we will try to compile a list of the flowers and greenery available for cutting from the yards of one another! In this way, if you want to help with flowers for worship, you may know whom to contact about cutting materials to be used in your arrangement! So you may also want to bring with you a list of perennials (and the approximate time of year they bloom) that you have planted and would be willing to share with others.

**Old Sewing Machines Needed!**

Learning to sew...

a new hobby for those looking for projects  
a confidence builder for those out of work  
a provision of clothing or curtains for a bare window for a family in need  
the addition of tangible employment skills to increase one's ability to work

In the coming weeks, a sewing class will be offered to teach the basics of sewing and using a sewing machine for all who are interested. Dozens of fabrics have already been donated by community members at a local shop and willing hands and hearts are ready to learn-- we just need the sewing machines! If you or someone you know has a working machine to donate and/or lend to a beginner, please email Sarah Bush at [sarah@fredericksburgbaptistchurch.org](mailto:sarah@fredericksburgbaptistchurch.org). If you are an experienced seamstress or just enjoy sewing yourself and would like to help teach, please contact Sarah, as well.

## Office Building Project Completed; A Job Well Done

Many of you have had the opportunity to visit and tour the newly renovated office space and have commented on the professionalism, attractiveness, and efficiency of the new design. The fine outcome of this project is due in large part to the work and effort of some of our members, to whom we owe our thanks:

Kathy Goff: who used her professional talents to create an effective design that minimized the areas to be disrupted, thereby allowing for cost savings. She patiently worked with the staff through several variations until a final design was chosen.

John Garnett: whose firm did an excellent and professional job of installing the new HVAC system in a timely and cost effective manner. His personal concern and oversight went far beyond what one would normally expect of contractors.

Van Snellings: who accomplished all of the interior demolition, new construction, and painting. His expertise and attention to detail shows through clearly. His flexibility allowed the project to progress steadily, enabling the project to be completed ahead of schedule.

Billy Hoovler: whose company, Communication Specialists, upgraded our preschool intercom system and installed a video monitor system at a reduced cost.

Mike Berry: who, as a representative of Hilldrup Transfer and Storage, made the arrangements for the removal and storage of the office furniture.

Jamie Bowles: who arranged through his company, Brandonbilt, for a dumpster to be onsite for debris disposal.

Thank you to these individuals who were willing to give of their time and talents to the accomplishment of this project.

## K-5th Graders to Mini-Golf and Carl's Saturday, September 12 10:00am to 1:30pm

K-5th Graders are invited to join us for a fun outing at a beautiful Miniature Golf course in Glen Allen. It is on Rte. 1 about 45 minutes down the road. The cost is \$5.50 for a round of golf. Meet us in the church parking lot at 10:00am. We will have prizes for everyone who participates...but a special prize for the person with the lowest score! Bring your own lunch and beverage, as we will enjoy a picnic lunch before returning to Fredericksburg. Our final stop will be Carl's Frozen Custard! Yummm! Parents should be prepared to meet you back at the church parking lot around 1:30pm for pick-up. Please sign up online at [www.fbckomt.org](http://www.fbckomt.org) or by phoning the church office by Wednesday, September 9th.

## Preschoolers' Dinner Dress-Up Party Thursday, September 17 5:00-7:00pm

Preschoolers age 3 and up are invited to join us for a fun night of "dress-up" at a dinner party! Wear your favorite outfit and be prepared to enjoy a sit-down dinner with "candles" and tablecloths! Did you know that Jesus enjoyed dining with his friends? It's a great atmosphere to get-to-know each other with conversation around the table! We will also enjoy games, stories, and crafts! Please let us know if you will be joining us so that we can prepare the table for you! Sign up by Sunday, September 13th in the church office, or online at [www.fbckomt.org](http://www.fbckomt.org). There is no cost for this event. Invite your friends to join us!

## Sixers to Baltimore's Aquarium at the Inner Harbor Saturday, September 19 9:00am-4:00pm

Sixers, we hope you will join us as we travel to Baltimore's Inner Harbor and tour their amazing Aquarium. This is always a fun place to see God's amazing sea creatures up close, and the harbor is a beautiful place to visit, as well. The cost of this event is \$20. This will pay for the cost of your admission ticket, plus lunch at the harbor. Please sign up online at [www.fbckomt.org](http://www.fbckomt.org) or by phoning the church office by Wednesday, September 16th.

## P.I.T.T.s Playgroup (Parents with Infants, Toddlers, or Twos) Friday, September 25 9:30-11:30am

If you are a parent, grandparent, or caregiver of an infant, toddler, or two-year-old child, then you are invited to join us at the home of Kristie Brown for a time of fellowship with these adults and their children. This has been a wonderful way for families to make connections...through church family, friends, and neighbors. The time frame that we have chosen will hopefully allow parents of preschoolers to stop by after taking their child to class, and will allow time to be back for pick-up.

This day is also very special, because Kristie's son, Ben, will a year old on this day...it's his birthday! No need to bring gifts, but please help us join in the celebration! Sign-up to let us know who will be coming, so that Kristie may plan accordingly. Kristie's address is: 10227 North Hampton Lane, 22408. You may sign-up online at [www.fbckomt.org](http://www.fbckomt.org) or by calling the church office by Wednesday, September 23<sup>rd</sup>. Thank you!
