First Friday Art Show
Featuring the Art of Betty White and Suzanne Short
July 6  5:30 – 8:00pm
Welcome Center

Elizabeth White began painting during her high school years and signed her work Betty Hodnett. She worked with oils, then several other mediums while at Longwood. For many years after marrying, she prepared displays and art projects for children in Sunday School and Vacation Bible School, and designed and sewed clothing for her daughter, including a wedding dress.

In 2016, Elizabeth began studying water color techniques with Fredericksburg area artists, most recently with Karen Richards, and has decided watercolor is truly her favorite medium. Please plan to meet Betty and see her artwork at our First Friday Art Show in the Welcome Center!

Suzanne Short has studied and trained in painting and fine art since she was a young girl. After a successful career as a graphic artist and illustrator for the Department of Defense with the federal government, she is now finding time to pursue her talent for fine art in painting, pencil and pastel drawings. She has a broad range of art experience and her works have been featured in numerous exhibits.

Encouraged by her parents, grandmother and most recently, her husband, daughters and grandchildren she is using the talent God gave her to display the beauty of His wonders onto canvas and paper. She has traveled the United States and Europe, countless times and finds people and places to be the perfect subjects for artistic expression. Working in detail, she particularly enjoys commissioned portrait work and has sketched, drawn and painted portraits of military leadership as well as others while working as a graphic artist. She always considered it an honor to work in support of our men and women in uniform.

Volunteers Needed to Move Furniture

On the first Saturday morning of each month FBC serves the Micah Furniture Bank with pick-up and delivery of donated furniture. Items collected are reallocated to community neighbors who need help making their households home. Some folks are moving off the street and out of shelter and have not had furnishings of their own in some time. Others are fleeing domestic violence, or setting up their home for a new baby or aging parent.

FBC needs additional volunteers willing to commit a few hours each month to this ministry. To sign up or get more information, contact Ann McGlone at ann@fredericksburgbaptistchurch.org
